

EDHEC Career Centre

A COMPREHENSIVE CAREER DEVELOPMENT PROGRAMME

The EDHEC Career Centre is the one-stop shop for career development and offers a programme specifically designed to help students define and achieve their career goals: the [TI&CD - Talent Identification & Career Development](#).

Fine-tune your career plan

The Career Centre assists students in designing their job search strategy. Unique in Europe, the TI&CD programme evaluates and assesses students' strengths and areas of improvement on 10 managerial competencies defined by international recruiters.

The Career Centre organises numerous events to help students master their career plan:

- Individual coaching
- Career Days: sessions and workshops on recruitment processes and the market
- Recruiting events: Career Fair in Paris, Career Days, Graduate Programme Day, Audit Days
- Networking with professionals
- Alumni Spotlights & mock interviews
- Business games
- Career chats
- Job and internship offers
